NINE+ DOCs in USA v TEXAS TXSD 2:13cv193/263 are letters from me.

I suggest a 2nd ballot by limited voting for the Texas State House with candidates on the limited voting ballot in about two or three districts beyond their own to loosen winners ties to liars, inhibit tyranny and promote turnover.

I want county clerks/comrs to help with details. I suggest co party chairmen select two or three candidates for each district for 2014 for their own district and two or three neighboring districts to fill up the ballot.

Drew Spring^{CA}'s R-Muenster district includes many counties far west of Muenster, so I suggest Haskell co pick neighboring districts far west of Muenster.

There was a Status Hearing in this case Nov 22. I ordered a transcript. Nine attys attended. It may go on PACER.

Received request from ALLENSWORTH regarding discipline and an additional correspondence box. Based on the Adjustment Committee proceedings, you pleaded guilty to the insolence charge. The discipline given for this charge was within the statutory limits. There will be no reduction in the discipline. Offenders are allowed one correspondence box in the cell. No additional correspondence box will be allowed in the cell.

I asked Lt Jackson for help getting unstamped envelopes at the commissary.

He put on the insolence ticket I wanted more stamped envelopes. I was given 3-months across-the-board, C Grade (One \$30 shop/month), Commissary restriction (\$15 limit on selected items) and yard/gym denial. These punishments extend previous punishments. I have asked for and sent in requests for relief.

I did not lure a then 12-year old neighbor boy who came up to me and asked if I had some money. I gave him 30¢. About six boys and girls then taunted me and threw pebbles.

I did not videotape three neighbor boys, aged 15, 16 and 18 who felt me up and released me after they showed me a video camera they said didn't work.

Jessica Stover didn't show at her Thursday weekly call at 4P wing Aug 15 when she announced on 4C wing Tony Isaacs no longer works here. She saw me briefly Aug 16 and said again I can't see Dr Lipshitz on the videoconference.

I complained earlier to 4B counselor Lisa Dollins I want to see Dr Lipshitz who I last saw about two years ago. Dollins said she would talk to Stover. I still want out of prison.

Your claim I can't rehash old claims makes sense to me only as showing you a rubber-stamp stooge flunky and tool of liars. I did not lure the then 12-year old neighbor boy who came up to me and asked if I had some money before about six boys and girls taunted me and threw rocks etc. I told this to Dr Lipshitz about two years ago.

I now plan to bug zone lieutenants on this issue fully expecting insolence tickets. Do you have another suggestion?
or other reliation

I want a wide-ranging conference focusing on old claims.

Jessica Stover seems to be a rubber-stamp figurehead dupe, stooge and tool of liars.

Dr HOLT has been BMRCC SDP Robert M Allensworth B14522
staff dir since Oct. I have had BMRCC 251 N IL 37 S
less than one minute with him. Ina IL 62846 2419

Judge Stewart ordered an evaluation Nov 16 11 when I was in court. See minute order.

Kids do and say silly and stupid things.

Jessica parrots my claims but won't let me see Dr Lipshitz who told me about two years ago he would see me in about six months.
